Payment is due before the series begins. The 4-week series fee will be prorated if any classes are canceled or not offered

\$25.00 — Single Class

Youth Ballroom & Latin Dance Program — Goals

- **Build strong fundamentals:** Teach basic Ballroom and Latin steps, figures, rhythms, and dance vocabulary.
- **Develop technique:** Gradually develop correct posture, balance, footwork, timing, body movement, partnering, and musicality.
- **Weekly repetition:** Review and repeat previously learned steps every week so students can build confidence, muscle memory, and consistency.
- **Progressive learning:** Introduce new material while continuing to reinforce fundamental steps and technique.
- **Improve coordination and confidence:** Help students become comfortable moving with a partner, following rhythm, and performing in front of others.
- **Develop good dance habits:** Emphasize proper technique and quality of movement from the beginning rather than focusing only on learning many steps.
- **Encourage teamwork and discipline:** Teach students respect, cooperation, listening skills, concentration, and commitment through partner dancing.
- **Prepare for performance and competition:** As students progress, develop their ability to perform routines with confidence, musicality, technique, and presentation.

Overall goal:

To create a strong foundation in Ballroom and Latin dancing through **consistent weekly practice, repetition, progressive technique training, and enjoyable learning**, allowing each student to develop at their own pace while building confidence and a lifelong appreciation for dance.

Dress Code / Required Attire

Students are **required to wear black dance attire and appropriate dance shoes** for all classes.

- Proper attire helps instructors observe **posture, body movement, footwork, and technique** more effectively.
- **Black dance attire:** Clean, comfortable, and appropriate for movement.
- **Dance shoes:** Proper Ballroom/Latin dance shoes are required for safe and effective practice.
- Students should avoid street shoes, sneakers, or clothing that restricts movement.
